WHEN we published Barss' **Writing Latin, Book One,** a distinguished teacher of Latin wrote: "A real help to the beginner. If I should pick out details, the Hints on pages 8, 9, 10, 15, 18, 28, 30, and 32 are little masterpieces of intelligent and intelligible explanation." When Book II was issued, he wrote: "I like it even better than the first part." Perhaps you might agree with him.

Book One—Second Year Work. Price 50 cents.

Book Two—Third and Fourth Year Work. Price 75 cents.

The BELLUM HELVETICUM is a beginners' Latin book based on the text of Caesar. It provides for thorough drill in forms and syntax, as the important part of the first year's work. In addition it offers the advantage of acquainting the pupil thoroughly with connected Latin text. Where this book is used there is no break between the first and second years.

If you are interested we should be glad to send you a copy of the revised edition.
